The RFP requires all parties involved in the preparation, negotiation, performance, or administration of contracts to act in good faith.

### 2.2 GENERAL INTENTION

Unless otherwise specified, it is the declared and acknowledged intention and meaning of these General Terms and Conditions for the OFFEROR to provide the Guam Power Authority with specified services.

### 2.3 STANDARDS FOR DETERMINATION OF MOST QUALIFIED OFFEROR

In determining the most qualified OFFEROR, the Agency/Department shall be guided by the following:

- B. Whether the OFFEROR can perform promptly or within the specified time.
- C. The quality of performance of the OFFEROR with regard to awards previously made to him.
- D. The previous and existing compliance by the OFFEROR with laws and regulations relative to procurement.

### 2.4 AWARD OR REJECTION OF PROPOSALS

The right is reserved as the interest of the Guam Power Authority may require waiving any minor informalities or irregularities in proposals received. The Guam Power Authority reserves the right and shall have the prerogative to award, amend, or reject proposals in whole or in part. It is the policy of the Guam Power Authority to award proposals to OFFERORS duly authorized and licensed to conduct business in Guam.

GPA reserves the right to award a Contract for the entire RFP scope or for subsets of the RFP scope to one, none, or any OFFERORS.

Proposals will be opened privately, and GPA reserves the right to keep any or all proposals confidential.

- A. Cancellation of Solicitation, Delays: GPA reserves the right to cancel or to withdraw this RFP, to delay determination on this RFP, or to reject all submittals or any individual submittal in whole or in part at any time prior to the final award. The reasons for the cancellation, delay or rejection shall be made a part of the project file and shall be available for public inspection.

After opening, but prior to award, all proposals may be rejected in whole or in part when the Procurement Authority of GPA determines in writing that such action is in the Territory's best interest for reasons including but not limited to:

- 1) The supplies and services being procured are no longer required;
- 2) Ambiguous or otherwise inadequate Specifications were part of the solicitation;
- 3) The solicitation did not provide consideration of all factors of significance to the Territory;
- 4) Price(s) exceed available funds and it would not be appropriate to adjust quantities to come within available funds;
- 5) Inability of the selected OFFEROR and GPA to successfully negotiate contract terms for the scope of services requested.

When a solicitation is cancelled or rejected prior to final award, notice of cancellation or rejection shall be sent to all OFFERORS. The reasons for cancellation or rejection shall be made a part of the project file and shall be available for public inspection.

- 4) The proposal or submittal does not meet the requirements or criteria set forth in the RFP. Upon request, unsuccessful OFFERORS shall be advised of the reasons for rejection.

Any or all proposals or submittals will be rejected if there is reason to believe that collusion exists among OFFERORS and no participants in such collusion will be considered in future projects for the same work.

## 2.5 EXECUTION OF THE ORDER

The OFFEROR to whom the Order is awarded (the "successful OFFEROR") shall execute and deliver to GPA the Contract prior to performing any services on GPA premises. A written notice will be issued to the most successful OFFEROR indicating commencement of the project.

Award of Contract: The award of the Contract, if awarded, will be to the most responsive OFFEROR whose qualifications indicate that award thereto will be in the best interest of OWNER, and whose proposal shall comply with the requirements of the Contract Documents. In no case will the award be made until all necessary investigations have been made into the responsibility of the OFFEROR, and the OWNER is satisfied that the OFFEROR is qualified to do the work and has the necessary equipment to carry out the provisions of the Contract to the satisfaction of OWNER within the time specified. OWNER may award separate contracts for each project scope or for any combination of project scope.

Execution of Contract: The individual, firm or corporation to which this Contract has been awarded shall sign the necessary agreement entering into Contract with OWNER, and return it to OWNER within ten (10) days after date of award.

Failure to Execute Contract: Failure on the part of OFFEROR to execute the Contract as required will be just cause for the annulment of the award. The award may then be made to the next most qualified OFFEROR or the work re-advertised, as OWNER may elect.

## 2.6 MODIFICATION / ALTERATION

After the receipt and opening of proposals, and at its option, the Guam Power Authority may conduct discussions with the OFFEROR who has submitted a proposal reasonably susceptible of being selected for award with the purpose of clarification to assure full understanding and responsiveness to the Proposal requirements. OFFERORS shall be accorded fair and equal treatment with respect to any opportunity for discussion and revision to proposals and such revisions shall be permitted after submission and prior to award for the purpose of obtaining best and final offers. In conducting discussions, there shall be no disclosure of any information derived from proposals submitted by competing OFFERORS.
