FOR
THE BULK SUPPLY OF ULTRA-LOW SULFUR DIESEL (ULSD)

Prospective Vendors/Contractors are hereby notified of the following response to inquiries received on September 02, 2020 and September 04, 2020:

Inquiry dated September 02, 2020:

May I ask for additional detail related to the Statement of Interest, including but not limited to:

QUESTION:

1. Requirements for submitting a Statement of Interest.

ANSWER:

The Guam Power Authority is seeking a Solicitation of Interest from interested vendors/contractors for the Bulk Supply of Ultra-Low Sulfur Diesel (ULSD) meeting the quality requirements listed in Exhibit A. Annual quantity may range from 500,000 to 1,000,000 barrels.

QUESTION:

2. The purpose or background associated with vendors/contractors to submit a Statement of Interest related to the Bulk Supply of ULSD.

ANSWER:

The Statement of Interest is in preparation for the ULSD supply requirement for the new 180MW combine cycle plant.

QUESTION:

3. Any relevant timelines related to the submittal to Statement of Interest once the SOI has been submitted.

ANSWER:

An IFB solicitation for the bulk ULSD supply is possible before the end of year 2021.

QUESTION:

4. Any additional information you may provide related to the Statement of Interest and its submittal.

ANSWER:

GPA would like to check if interested parties can comply with the ULSD quality and the estimated quantity requirements provided in the SOI or if there are any issues or concern with achieving the said requirements.

Inquiry dated September 04, 2020:

QUESTION:

1. Based on GPA response, seeking an extension of 10 business days to submit response to Statement of Interest Solicitation for the Bulk Supply of Ultra Low Sulfur Diesel. The extension will provide sufficient time to respond to the SOI solicitation.
